Orders of Service

An Order of Service assists the smooth running of the funeral as well as being a unique and special keepsake for all your family and friends to remember the person who has passed away. Even those unable to attend the service will be able to privately say goodbye.

Should you want to produce an Order of Service for the funeral of the person who has passed away, we can help you construct and produce a high quality booklet for the ceremony. Your Order of Service can include anything you would want, whether a hymn, photo, reading or something the person who has died would liked to have been remembered for. Please feel free to discuss your requirements with our staff. They will be pleased to guide you through the process and show the styles that are available.

GROW A MEMORY

These personalised funeral seed favours are the perfect sentimental touch to an important and emotional occasion. As the flowers grow, you are giving the gift of life back to the earth, as they are all desirable for insects to pollinate and are considered 'bee friendly'. Grow happy memories of your loved one; something that family and friends can share in.

ALL DESIGNS ALSO AVAILABLE WITHOUT A PHOTO IN BOTH CARD FINISHES
